Enchanting Stay at Thornbury Castle and City Tour of London

Take a magical journey in South West England and stay at a charming Tudor castle once occupied by King Henry VIII and his wife Anne Boleyn. At Thornbury Castle you will be treated like a king and queen featuring exquisite meals and magnificent sleeping quarters.

From lavishly decorated dining and sitting rooms, a Tudor Hall will also adorn you with striking tapestries and armour that harkens back to medieval times. Excellent chefs and helpful staff await you that will adhere to your plans for a most wonderful trip. Perfect for a honeymoon for two or your anniversary celebration.

Itinerary

Days 1-4

3 nights in Thornbury Castle, Gloucestershire, UK

You will be privately transferred from the Heathrow Airport to Thornbury Castle. A double deluxe king bed is available with breakfast served every morning.

Within the castle premises you will have many activities to pursue including spa treatments, falconry, garden walks, and archery. You could also venture out to nearby historical Bath and tour the Roman Baths or Bath Abbey as well as shop in its many excellent independent retailers and see a theater show.

Days 4-7

4 nights in Horseguards Hotel in London, UK

A private transfer will transport you from the castle to a majestic 5-star Royal Horseguards Hotel in London near the London Eye. It has a mix of history and modern styles. A style of your choice for rooms are available from standard double rooms with a king size bed to a tower suite with a river view and king bed.

Many tours, activities, sights, and events await you within this amazing city, such as the Tower of London, London Eye, Big Ben, and Buckingham Palace.

Day 8

A private transfer will be provided from the Royal Horseguards Hotel to the Heathrow Airport

Subject to availability. Additional activities are booked in advance. Castle and hotel room types are flexible as well as hotel name, dates, and number of meals. Flights from all major airports to Heathrow Airport can be taken.
